

Hastings Business Enterprise Network

Membership Application/Renewal 2012

The Hastings Business Enterprise Network is a non-profit, non political organisation offering networking opportunities and support for business in the Port Macquarie-Hastings Community.

Networking is one of the most effective ways to expand your business network. The HBEN provides the opportunity for business people to network in a relaxed and friendly atmosphere, listen to quality guest speakers and gain skills to grow their business. The HBEN monthly networking breakfast held on the second Thursday of each month regularly attracts 70-90 local business members

The Hastings Business Enterprise Network (formerly HBEC) has been operating since 1989 and is part of an Australia-wide network. Since late 2008, it has operated as a separate business unit of the Port Macquarie Chamber of Commerce Incorporated.
